MISSION

At RET Customs Brokerage Corp., our mission is to prioritize quality over profit. We believe that being the best does not always mean being the biggest. Our unwavering commitment is to strive for service excellence, achieving success through years of experience and expertise that result in customer satisfaction. Service excellence is not merely a promise; it is a steadfast commitment.

VISION

Our vision at RET Customs Brokerage Corp. is to foster lasting and meaningful business relationships with our employees, industry partners, stakeholders, and clients. We aim to build a business relationship grounded in trust and service excellence, one that transcends time and continues to grow stronger over the years.

OUR SERVICES

At RET Customs Brokerage Corp., we offer a comprehensive suite of services including customs brokerage, freight forwarding, specialized creating and packaging, ocean shipping, project cargo handling, shipping carrying agent services, trade compliance, trucking, and warehousing. Our expertise ensures efficient, reliable, and compliant handling of all your logistics and shipping needs.

BROKERAGE SERVICES

RET Customs Brokerage Corp. offers comprehensive customs brokerage solutions designed to streamline the clearance of goods through customs. Our team of licensed customs brokers ensures that all necessary documentation is prepared and submitted accurately, facilitating a smooth and efficient customs clearance process. We handle all aspects of customs compliance, ensuring that your shipments meet all regulatory requirements.

FREIGHT FORWARDING

Our freight forwarding services provide end-to-end logistics solutions for the transportation of goods. We coordinate the shipment of goods from origin to destination, whether by air, sea, or land. Our global network of partners and carriers allows us to offer competitive rates and reliable transit times. We manage all logistics processes, including booking, routing, and tracking, to ensure timely delivery of your cargo.

OUR SERVICES

CREATING & PACKAGING

RET Customs Brokerage Corp. offers specialized creating and packaging services tailored to the unique needs of your goods. We use high-quality materials and advanced techniques to ensure that your items are securely packed and protected during transit. Our packaging solutions are designed to meet industry standards and regulatory requirements, ensuring the safe and compliant transportation of your goods.

OCEAN SHIPPING

Our ocean shipping services provide cost-effective and reliable sea transport solutions. We handle full container loads (FCL) and less-than-container loads (LCL), offering flexible options to suit your shipping needs. Our team manages all aspects of ocean freight, from booking and documentation to vessel scheduling and cargo tracking. We ensure that your goods are shipped efficiently and reach their destination on time.

OUR SERVICES

PROJECT CARGO HANDLING

We specialize in managing oversized, heavy, and complex cargo with our project cargo handling services. Our team has the expertise and equipment necessary to handle large and challenging shipments, including machinery, industrial equipment, and infrastructure components. We provide end-to-end project management, including route planning, risk assessment, and on-site supervision, ensuring the safe and efficient transport of your project cargo.

SHIPPING CARRYING AGENT

As an authorized shipping carrying agent, RET Customs Brokerage Corp. acts on behalf of shippers to manage and oversee shipping needs. We coordinate with carriers, negotiate rates, and ensure that all shipping arrangements are in place. Our team monitors shipments throughout the entire transportation process, providing updates and addressing any issues that may arise.

OUR SERVICES

TRADE COMPLIANCE

We offer comprehensive trade compliance services to help businesses navigate the complex regulatory landscape of international trade. Our team ensures that your shipments comply with all applicable laws and regulations, including customs requirements, trade agreements, and import/export controls. We provide guidance on documentation, classification, valuation, and other compliance matters, reducing the risk of penalties and delays.

TRUCKING AGENT

Our trucking services provide reliable and efficient ground transportation solutions for the movement of goods. We have a fleet of trucks and a network of carriers that allow us to offer flexible and cost-effective trucking options. Whether you need local delivery or long-haul transport, our team ensures that your goods are delivered safely and on time.

WAREHOUSING

RET Customs Brokerage Corp. offers secure and reliable warehousing solutions to meet your storage needs. Our facilities are equipped with advanced security systems and climate control to ensure the safety and integrity of your goods. We provide inventory management, order fulfillment, and distribution services, allowing you to store and manage your products with confidence.

UNIQUE SELLING PROPOSITIONS

- **Comprehensive Customs Solutions:** RET Customs Brokerage Corp. offers an all-encompassing customs brokerage service that ensures efficient and seamless clearance of goods through customs. Our expertise in compliance and regulatory requirements minimizes delays and maximizes efficiency, providing peace of mind for our clients.
